# Danville this Spring

# Downtown Easter egg hunt a huge success

DDI Executive Director  
**Dana Schaumburg**

Every year children from all over the area come to downtown Danville to have breakfast, see the Easter bunny and

collect eggs.

This year we again offered a free breakfast at First Presbyterian Church, and then families set out to downtown shops to collect their Easter eggs while following the scavenger hunt map.

It is always such a good feeling to see families enjoying

themselves at a downtown event and walking up and down the first few blocks of North Vermilion Street. This year we had 14 businesses that participated in the scavenger hunt, the most since starting this format.

And it takes a lot of volunteers and sponsors to pull this event off. I would like to say thank you to those who helped make this event possible.

This year we increased attendance by about 100 people having approximately 280 in attendance. It's also nice to have that much support from the community when Downtown Danville Inc. puts on an event so thanks to everyone who was a part of making it a huge success!

For more information about DDI and other upcoming events, please call 217-443-3886, email [info@downtowndanville.org](mailto:info@downtowndanville.org) or visit [www.downtowndanville.org](http://www.downtowndanville.org).
